

Technical Data Sheet

LB-100 Multi-Purpose Lubricant Spray (Aerosol)

Multi-Purpose Lubricant Spray (industrial use)

- Key Features & Benefits**
- Specially formulated for lubricating, penetrating, and moisture drive-off.
 - Easy to use, multi-purpose.
 - Prevents rusting

- Technology**
- Aerosol container for easy application
 - Solvent based

- Common Applications**
- Lubrication of machinery, gear parts, chains, and hinges.
 - Prevents corrosion on tools or metal items
 - Drives off moisture to prevent rusting.

Typical characteristics

Base	Oil based
Appearance	Amber-like color
Water solubility	insoluble

Please shake for 10 seconds before use.

Description:

LB-100 is a versatile multi-purpose lubricant designed to penetrate, lubricate, and protect various surfaces and components. Its exceptional performance in both professional and DIY applications makes it an essential tool for every toolkit. LB-100 excels in loosening rusted parts, lubricating hinges, and safeguarding metal surfaces from corrosion. Its advanced formula ensures smooth operation and long-lasting protection, making it ideal for automotive maintenance, household repairs, and industrial applications. By reducing friction and wear, LB-100 extends the lifespan of tools and equipment. Invest in LB-100 for reliable, high-performance lubrication and protection in any setting.

Packaging: 412ml

Shelf Life: 24 months

Storage Conditions:

Store at 25°C in a cool place, away from fire and direct sunlight. Do not store the container upside down.
